# Village News

Autumn 2006

e-mail [clerk@ferriby.info](mailto:clerk@ferriby.info)

## New A63 junction opens 24/25 September

This newsletter should be accompanied by one from the Highways Agency giving you full details of the new junction layout and the new bus routes (it can also be downloaded from the Ferriby Website).

We are delighted that after many months of diversions we shall soon be able to enter Ferriby from the west via Melton Road. The opening of the new roads will take place overnight from late pm Sunday 24th to early am Monday 25th of September 2006. Footpaths associated with the junction will not be opened until later.

If you have any queries please make full use of the contacts provided on the Highways Agency leaflet. Alternatively contact the Parish Council Chairman, Julie Abraham, on 633746 who will take up your query for you.

## School News

North Ferriby School now has a new website which can be accessed on [www.northferribyprimaryschool.co.uk](http://www.northferribyprimaryschool.co.uk).

It is worth a look for the aerial photograph of the area around the school alone, which was provided by a Ferriby resident. It is worth a look for the aerial photograph of the area around the school alone, which was kindly provided by Ferriby resident Pat Callaway ©, (part of which is shown below).

You can help the school with fundraising every time that you do online shopping. Register with [www.easyfundraising.org.uk](http://www.easyfundraising.org.uk) and up to 15% of your purchase price will be donated to the school. Over 150 of the UK's best known retailers partake in this scheme. Further details are available on the Ferriby website.

## Retirement of Parish Clerk

Sadly, we have to announce that, after many years of excellent service to this village, our Clerk, Marlene Barker, will be retiring next May.

We are looking for someone to take over Marlene's position. Working to eleven parish councillors for approximately 50 hours per month and entailing some evening working, the post involves attending meetings and taking minutes, maintaining the accounts of the council (budget is around £50,000) and handling telephone calls and correspondence.

Basic IT skills are essential. Some experience of wages and PAYE would be beneficial, though not essential. Marlene's replacement would be required to work from home or, possibly at some time in the future, from an alternative address within North Ferriby.

Salary is dependant on experience and there may be the opportunity to work towards a recognised qualification. Training will be provided including a period whilst Marlene is still in post.

If you are interested please send a brief CV and covering letter to Marlene at 14 Church Avenue, North Ferriby, HU14 3BY. For further details of the post please ring Marlene on **634108**. Closing date for expressions of interest is **Monday 16<sup>th</sup> October**.

## Recycling

Recycling is an issue that everyone must take seriously unless they want to see their council tax increase **hugely**. The government is imposing massive penalties on local authorities and, if the amount of waste that we put to landfill continues to increase at its current rate, East Riding residents could have to pick up a tax bill of £23m in the not too distant future, equivalent to a 23% increase on your council tax! And would you be able to cope with your current green bin if the council were to go to fortnightly collections as has happened in many authorities?

The answer to both of these scenarios is to keep more of your waste out of the green bin and into the **blue bin**. Remember - **Out of the green, into the blue!** **NOTE** that any bins that are overfilled, so that the lids are pushed up, **WILL NOT** be collected

### What can go in your blue bin?

- Paper and magazines  
(but not cardboard or envelopes)
- Plastic bottles of any description
- Steel and aluminium cans
- Aerosols

### Put everything except the paper into plastic bags

You can mix bottles, cans and aerosols together in the same bags

## Your Wheelie Bins - an Appeal from a Resident

*"Some people are putting them out for collection several days before the collection date (applies to both green and blue bins) and also leaving them out for several days after they have been emptied. Recently two of my neighbour's bins were left near to and outside my house. I was awoken at 3.15am by people using them to race in, overturn and crash into my garden wall.*

*A blue bin had also been left there for several days and this had been overturned onto the pavement nearby, by the same people. All of this made a lot of noise and disturbance which could have been avoided. This isn't the first time this has happened."*

**It's all in the detail**

**COMPLETE HIRE SERVICE**

Wedding, Formal, Morning & Highland Wear

**Len Beck**  
Over 70 years service

Open 6 days Mon-Sat  
443 Endyke Lane, Hull  
200yds Cottingham, Boundary

Tel: 01482 852131

All brochure prices

## Annual Church Quiz

The annual Quiz Evening in aid of All Saints' Ferriby Church fabric is to be held on Saturday 30th September. The price of tickets is £6.50 which includes a pie and peas supper.

Tickets must be bought in advance and it is advisable to buy them as soon as possible as they usually sell quickly.

There is a maximum of six people per team but teams can be made up on the night. For further details, phone John or Christine Pickering on **634355**.

## Parents - Be Warned!

It has been reported to the parish council that children and teenagers are playing on or near the railway tracks at the station. They are understood to be playing football across the tracks and also skateboarding on the new footbridge. It goes without saying that they are risking their lives if this is the case, and also putting other people at risk of injury.

It has also been reported that some youngsters are playing on the jetty to the west of the village. Older residents will remember the tragic accident some years ago when a young life was lost doing just this. Children should also be reminded that the banks to the west of the village can get undercut by the river and this can lead to a very quick collapse of the pathway.

## Planning News

It has been quite a busy summer for planning appeals so here is a flavour of what has been happening locally.

### Humberfield

The big news of course was the decision on the Humberfield appeal. The letter announcing that it had been dismissed by the Inspector came through a few days after we had printed our July newsletter but hopefully you heard about it at the time. Until the whole strategy for waste management in Hull and the East Riding has been agreed and planning permissions have been obtained we cannot say for certain that it has gone away for ever, but we feel very, very optimistic that it has. We know that WRG is now looking at other options.

We are sure that residents will agree that several people within the village did a splendid job and in particular Stephen Prior for the Parish Council and Jayne Dalton and Gavin Macniven for the residents.

### Other Planning Appeals

Planning appeals have been lodged against East Riding Council's decision to refuse the application to demolish **12 Narrow Lane** and erect two dwellings in its place, and an appeal has also been lodged against the decision to refuse the application to demolish the former **Yorkshire Water pump house** and erect a two storey dwelling with vehicular access in its place. If you wish to write to the Inspector about the former pump house you must act quickly as letters must be posted by Thursday 21<sup>st</sup> September. You should quote APP/E2001/A/06/2021425/WF and send three copies of your letter to The Planning Inspectorate, 3/13 Eagle Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. Alternatively, you can comment online, see [www.planningportal.gov.uk/pcs](http://www.planningportal.gov.uk/pcs). The two appeals on **4 Nunburnholme Avenue** (to demolish the existing dwelling and erect either 6 or 7 properties in its place) were due to be heard by informal hearing in Beverley earlier this month.

Keep up to date with Ferriby events!  
**LOOK ON THE FERRIBY WEBSITE**  
**[www.ferriby.info](http://www.ferriby.info)**

***Our website is kept fully up to date with the latest Ferriby news and events.  
It includes dates and times of surgeries held by Ward councillors.***

***Local organisations are invited to send details of their events  
to the Parish Clerk for inclusion on the website.***

***Join our e-mail up-date list to receive notices by e-mailing:  
[website@ferriby.info](mailto:website@ferriby.info)***

## Anyone for Tennis?

We are fortunate to have a Lawn Tennis Association (LTA) approved coach in North Ferriby and he is keen to re-invigorate tennis in the village. **John Huntington is looking for expressions of interest to see if he can bring the tennis courts at the playing fields back into shape.** This is a fabulous facility that is very under used but which is very convenient, particularly for older children who can get themselves there independently. If you are interested please phone John on 631491. (If you replied to John's flyer through the school your expression of interest is on file so you do not need to respond again). It would be helpful if you could let John know that you are interested in using the courts even if you do not require lessons – also let him know if you are using the courts at the moment.

You can also ring John if you are interested in lessons with him elsewhere in the meantime. He coaches adults and juniors and also organizes mini-tennis for children age 5 upwards.

**Can you or your company provide sponsorship** to bring the courts back into a useable state? The parish council has met with the LTA and it is estimated that around £2,000 is required to provide new posts and nets for the three courts and to replace some of the fence that has been broken down. Anyone able to offer sponsorship should contact the Parish Clerk on 634108.

## Harvest Festival Services

### All Saints' Parish Church

**Sunday 1<sup>st</sup> October** at 10.30am - Harvest Festival Family Service in All Saints' Church followed by Harvest Lunch in the Parish Hall. Harvest gifts will be donated to the Hull Youth for Christ breakfast club.

### North Ferriby Methodist Church

On **Saturday 7<sup>th</sup> October** the church will be open between 2pm and 4pm for harvest decoration.

**Sunday 8<sup>th</sup> October** at 10am – Family Service led by our minister Rev. Shirlyn Toppin, and at 6.30pm the preacher will be Rev. Henry Pittam.

Envelopes will be available at these services to make a contribution to the Methodist Relief and Development Fund. Gifts of food and toiletries will be distributed locally, to the Hull Homeless and Rootless Project and to the Princes Avenue Open Door Project.

**Monday 9<sup>th</sup> October** at 7pm – A social evening involving a Faith Supper.

## Snippets

**.....Nunburnholme Ave GP's surgery** There is no news as yet but we are still hopeful that a solution to keep the Hessle practice in the village will be found.

**.....Dog training** The dog training run by ERYC in the Village Hall has been a great success – well done to all those dogs that have made the grade!

**.....Skatepark** The ground works for the new skatepark are due to commence this month. This is all being done free of charge by the A63 contractors, Alfred McAlpine PLC, following months of negotiations. Thanks go to the company and we shall run a bigger article in the next edition.

**.....New railway footbridge** The Parish Council has expressed its concerns over the standard of work on the new station footbridge.

**.....Trees** East Riding Council informs us that 4 or 5 trees in New Walk are dying and will need to be felled in coming months. Replacement trees will be planted.
